

# VOLUNTEERS BREATHE NEW LIFE INTO ROOMS AT THE FORT WORTH UNION GOSPEL MISSION

As part of their Philanthropy Program, Baird, Hampton & Brown, Inc. (BHB) conducts a philanthropic event every quarter. On March 21st, 2009, BHB employees (*Ian Bost, Associate with his wife, Carmen and their three nieces; Hannah, Marissa, and Sonya along with Jennifer Yoder, Marketing Director with her two friends Corinne Monacci and Sabine Schleigh*) arrived at the Fort Worth Union Gospel Mission on E. Lancaster paint in hand and décor in tote, looking like something out of an HGTV series. Over the previous weeks, employees of BHB employees donated various items to reinvigorate 2 residential rooms at the Union Gospel Mission. Bedding, wall hangings, curtains, sheets, pillows and more were collected while the company provided all of the paint and supplies. At the end of the day, two rooms were completely transformed from drab to FAB!!!
